

# Student Council UPDATE!

We are so excited to give you an update about our student council nominees! The following list are our nominees and the wonderful things that they wrote about why you should vote for them.

Voting will take place in last 2 weeks of January. We will send you information about student council meetings, where to vote and how to do it virtually. [We also encourage you to visit our flip grid page and post a video](#) about why people should vote for you if you were nominated, and why you think the candidate that is running is somebody who you would vote for. We can't wait to see your videos!

721K Students, Let Your Voices be Heard!

Sincerely,

*The Student Council &  
Civics & Participatory Budgeting  
Committee*
